### I. Call to order

### II. Roll call

- a) Mike, Michaela, and Royd are excused. Crosby will attend once she is finished tutoring.
- b) Gaylene discussed Halloween and why BCE has chosen not to dress up on a Monday. In years past, BCE has received complaints about costumes getting ruined at school and students not having a costume for that night. BCE planned only to dress up if it landed on a Friday, Saturday, or Sunday so that students only wore their costumes for a half day as a way to meet parents in middle.
- c) This year, BCE has received complaints about not being able to wear costumes. This issue will be looked into further by the faculty of BCE to create a plan moving forward.
- d) Gaylene also shared the need for a PTA or PTO to help with extra non-academic activities. We would like to see our classes equally represented for class celebrations.
- e) This led to a council discussion about what is needed, what is required by teachers, and what can be done about it.
